HUNGARIAN DEVELOPMENT INDUSTRIAL QUALITY

Cleaning products, and
cleaning tools for all uses

HORIZON Hygiene Detergent Manufacturing and Distribution Ltd. was established in 2003. We are engaged in the production and distribution of industrial quality cleaning products developed in Hungary. Currently we distribute more than 400 products. We are able to serve the complete hygiene needs of all our partners. Our products with high active ingredient content are also excellent for the removal of strong, deposited, greasy, oily, watery dirt.

MAIN PRODUCT GROUPS

- ✓ Cleaning products
- ✓ Cleaning tools
- ✓ Stationery
- ✓ Dispensers

DELIVERY

We usually deliver to our partners on a weekly basis. Delivery time: a few working days from order. For individual orders, delivery is out-of-sequence.

PROFESSIONAL ADVICE

In manufacturing our products, we strive to ensure that our partners achieve perfect hygiene with our easy-to-use products. The cleaning products we produce are excellent for cleaning the recommended surfaces and dirt at the dosage specified.

With the help of our regional representatives, assisted by our partners, we will always find the right products for outstanding cleaning of a specific room. All this is achieved economically, while cleaning surfaces gently.
